Visit our Online Application System through web address link provided below:

http://www.ifmsis.ac.tz/oas

Apply as a new user by clicking the “Apply Now” link as shown in Figure 1.

Figure 1: Online Application System
**STEP 1: Choose the Application Level**

After clicking the “Apply Now” link in Figure 1, the system will display the application levels as shown in Figure 2.

![Application Level Window](image)

**Figure 2: Application Level Window**

Choose the Application Level you want to study (e.g. Masters, Postgraduate Diploma, Bachelor, Ordinary Diploma or Basic Certificate) by selecting the application level as shown in Figure 2.

Then select the Entry qualification which is based on your selected application level as shown in Figure 3.

**Note:** Entry qualification can be accessible through web address link provided below:

[https://www.ifm.ac.tz/entry-requirements.html](https://www.ifm.ac.tz/entry-requirements.html)
Enter the O-level Index number and choose the examination year as shown in Figure 4.

**Note:** If you have multiple O-level index numbers, the first sitting O-level index number should be used to create application account.

**Figure 3:** Entry Qualification Window

**Figure 4:** O-level Index Number Window
Alternatively, if you don’t have the O- level index number from NECTA (you have foreign certificate), then you have to fill the information required as shown in Figure 5.

Then click “Next” button to proceed.

Note: * Means mandatory. You must fill the required information.

**Figure 5**: Alternative Information Window

**STEP 2**: Application Registration Form

After clicking the “Next” button in step 1, the system will display the window shown in Figure 6.

Note: Please confirm your information before proceeding with the registration process.
Figure 6: Application Registration Form

Fill in the password, valid Email address and Mobile phone number and click the “Register” button to create your application account.

Note: It is highly recommended to remember/keep your Email Address and Password as it will be used to Login into the application system. The Email address will be also used for communication purpose. Also the mobile phone number should be valid and accessible to allow the Institute and other regulators to communicate with you.

STEP 3: Log in into the Application System

Click the “Click to Login” button in order to login into the application system as shown in Figure 7.
Note: Usually, use the “LOGIN” button found at the top right hand side to login into application system.

Fill the login form shown in Figure 8 with the Email Address and password used to create account.

Then click the “Login” button to proceed.
Once you are logged in, the system will display the window shown in Figure 9 which shows all the application steps, application deadline and application number.

**Note** Please remember your application number.
